Career Objective

Full Stack Developer with strong hands-on skills in the **MERN stack (MongoDB, Express.js, React.js, Node.js)**, API development, and database management. Completed **Full Stack Development Training (GUVI, IITM Research Park)** and have **2+ years of experience working on Node.js & REST API projects**. Seeking opportunities to contribute to scalable and innovative web applications.

Technical Skills

HTML5	CSS3	JavaScript (ES6+)	React.js	Angular (Basics)	Node.js	Express.js
RESTful APIs	GraphQL	JWT Authentication	OAuth	MongoDB	MySQL	PostgreSQL
Bootstrap	Tailwind CSS	Git/GitHub	Postman	Agile Workflow	Docker (Basics)	

Professional Experience

- **Node.js Developer** — *CodeCore Global Solutions, Coimbatore*
Jan 2023 – Dec 2024 (2 years)
 - Designed & developed REST APIs using Node.js and Express.js.
 - Implemented JWT-based authentication & role-based access.
 - Integrated React.js frontend with backend services & third-party APIs.
 - Worked with MongoDB & MySQL for data modeling and optimization.
 - Collaborated in Agile team, version control with Git/GitHub.
- **Muthoot Finance Ltd** — Sales & Services (Voice Process)
2015 – 2018
 - Customer interaction, data entry & documentation, improved communication skills.
- **Civil Engineer — Designer & Estimation**
2018 – 2022
 - Prepared project estimations & documentation using Excel, AutoCAD.

Key Projects

- **E-Commerce Web App (MERN)**
 - Product/user/order APIs with JWT authentication.
 - React frontend with Tailwind CSS & backend with Node.js + MongoDB.[👁 Live Demo](#) | [GitHub Repo](#)
- **Online Counseling Platform (MERN + Stripe + Video API)**
 - Integrated Google Video API, Stripe payments, and authentication.[👁 Live Demo](#)
- **Task Manager API (Node.js + MySQL)**
 - CRUD operations with authentication, SQL schema design, and API testing with Postman.

Education

- **B.E. Civil Engineering** — E.G.S. Pillay Engineering College, 2017
- **Full Stack Development Training (MERN)** — GUVI, IITM Research Park (Dec 2024 – Mar 2025)

Languages

- **Tamil** — Native
- **English** — Fluent

Availability

- ✓ Available to join immediately (Remote).
- ✓ Open to Full-time, Internship (I2H), and Part-time roles.
- ✓ Flexible with shift timings & Agile environments.
